## THE HEALTH RECORD IS FINE

W. D. Smith, Who Was Injured  
by Fall in Richmond, Died  
Sunday Night.

[Special to The Times-Dispatch.]  
PETERSBURG, VA., April 29.—Com-  
mittees from all churches represented  
at the union evangelistic services now  
being conducted by Rev. George C.  
Cates, of Louisville, Ky., were ap-  
pointed at the meeting at Tabby Street Pres-  
byterian Church this morning, to call  
on all business men and request them  
to close their offices during the time  
of the daily morning meetings, from 10  
to half-past 11 o'clock. The commit-  
tees have been very active to-day, and  
have succeeded in securing the signa-  
tures of a large number of both busi-  
ness and professional men to such an  
agreement.

**Fine Health Record.**  
The report of the city health offi-  
cer, Dr. R. A. Martin, for the month  
ending April 26th, shows a total of  
forty-five deaths—whites, 20; colored,  
25—a mortality rate of 20 per thou-  
sand per annum for the whole popu-  
lation. The rate of mortality among  
the whites was 17.14; colored, 23.17.  
Seven deaths were certified to by the  
coroner. Forty-four deaths were re-  
ported. Whites, 19; colored, 25.

**Bass Cigar Company.**  
The Charles A. Bass Cigar Company,  
of this city, has been incorporated,  
with a maximum capital of \$25,000,  
minimum, \$5,000. The officers are:  
President, Charles A. Bass, of Peters-  
burg; Vice-President, Spencer McGee,  
of Virginia, Va.; Secretary and Treas-  
urer, R. D. Gilliam, of this city.

A powerful locomotive of great size,  
made by the American Locomotive  
Works, in Richmond, for the Ches-  
apeake and Ohio Railroad, is at the  
union depot here, awaiting shipment  
to the Jamestown Exposition for ex-  
hibition.

**Died from Injuries.**  
Mr. W. D. Smith, a well-known and  
highly esteemed citizen, died about  
half-past 8 o'clock last evening at his  
residence here. Mr. Smith was severe-  
ly injured several weeks ago while at-  
tempting to board a street car in  
Richmond, when he was thrown to the  
pavement, his right knee-cap being  
broken and internal injuries received,  
which, it is understood, caused his  
death. He represented a large furni-  
ture manufactory in the West, and  
was in Richmond on business at the  
time of the accident. Mr. Smith was  
about fifty years old, and is survived  
by his wife and two daughters.

Miss Maggie Hogwood died yester-  
day afternoon at the Petersburg Hos-  
pital, after an illness lasting several  
weeks. The funeral took place this  
afternoon from St. John's Episcopal  
Church.

## LOCAL OPTION ELECTION.

Petitions Ask That Madison Dis-  
trict Vote June 4th.

[Special to The Times-Dispatch.]  
FREDERICKSBURG, VA., April 29.—  
Petitions have been signed asking for  
a local option election for Madison  
Magisterial District in Orange county  
to be held June 4th. The towns of  
Gordonsville and Orange Courthouse  
are located in this district.

The first asparagus of the season  
from the Rappahannock Valley was  
shipped to Baltimore by C. L. Shack-  
ford, of Lancaster county, on April 16th,  
and brought sixty-five cents per bunch.  
The pound fishermen have had a poor  
season. The rough, windy weather tore  
up many nets and the prices in market  
dropped early.

## MASONS AT DINNER.

Arlington Lodge Gave Banquet  
Which Was Great Event.

[Special to The Times-Dispatch.]  
WARSAW, VA., April 29.—Arlington  
Lodge, No. 102, A. F. and A. M., of  
Millers, Essex county, gave a banquet  
to-night at 8:30 o'clock in the Town  
Hall at Tappahannock, in honor of  
Right Worshipful P. K. Bauman, grand  
senior deacon of the Grand Lodge of  
A. F. and A. M. About 300 invitations  
were sent out, and in most instances  
accepted, and the guests included most  
of the prominent Masons of Tidewater

Virginia, among whom was Grand Mas-  
ter S. J. Quinn, of Fredericksburg. A  
large number of ladies graced the  
occasion, which was by far the most  
brilliant affair that has taken place  
on the south side for generations.  
Right Worshipful J. L. Henley acted as  
toastmaster, and the following toasts  
were responded to:  
"Our Guests," W. F. Bagby.  
"The Ladies," T. E. Blakey.  
"The Institution of Free Masonry,"  
P. K. Bauman.  
"Arlington Lodge," D. W. Lewis.  
"The Jewels of the Master Mason,"  
J. W. Lewis.  
"The Emblems of the Master Mason,"  
W. J. Phillips.  
"Seven Reasons Why I Love Mason-  
ry," C. C. Fields.

## RECITAL IN ORATORY.

Young Ladies of Chatham Insti-  
tute Charming Entertainers.

[Special to The Times-Dispatch.]  
CHATHAM, April 29.—An interesting  
event in educational matter was the  
graduate recital in oratory given by  
four of Miss Woodwell's pupils at the  
Chatham Episcopal Institute last Fri-  
day night. The young ladies were Miss  
Reba Turner, Miss Virginia Hallie, Miss  
Lizzie Reid, of Virginia, and Miss Nadia  
Fitts, of California. Miss Turner took  
Thomas Bailey Aldrich's "Judith and  
Holofernes," bringing out clearly the  
vivid pictures of that beautiful story,  
and gave a supplement Taschemacher's  
dainty lyric "Night and Dawn," with  
much grace and sweetness.

Miss Fitts gave a strong presentation  
of scenes from Othello—the trial scene,  
the handkerchief scene and final tragic  
murder of Desdemona, and suicide of  
Othello. Miss Fitts possesses decided  
historical gift and her work was cordi-  
ally received.

Romeo and Juliet, with its fervid  
love scenes, its tragedy and its despair  
lost nothing of its traditional beauty  
in the presentation of Miss Hallie. While  
her work was always adequate, the  
scene with the nurse and the final  
double tragedy in the tomb of the  
Capulets were especially satisfying.

The intensely interesting dramatic  
lyric from the Danish of Hendrik Hertzog,  
"King Rene's Daughter," gave much  
pleasure as presented by Miss Reid. Her  
character work was admirable and the  
last scene—the restoration of sight to  
Joan—the was given with artistic skill.

OFFERED COLUMBIAN COIN  
AND WAS PUT OFF

ALEXANDRIA, VA., April 29.—The  
trial of the case of George D. Hopkins  
against the Washington, Alexandria and  
Mount Vernon Electric Railway Company  
for \$5,000 damages was begun in the Cir-  
cuit Court for Alexandria county this  
morning. Judge Harrison, of Winchester,  
presiding, and will probably be concluded to-  
morrow.

The plaintiff alleges that while a pas-  
senger on the cars of the defendant com-  
pany, April 8, 1906, he presented the  
conductor with a Columbian half-dollar,  
and the conductor refused to accept the  
money, on the ground that it was not  
legal tender, and ejected him between  
Alexandria and Washington.

## FULTON NOW IN JAIL.

Slayer of Johnson Charged With  
Serious Crime.

[Special to The Times-Dispatch.]  
ARLINGTON, VA., April 29.—Noah Ful-  
ton, the young man, who on last Sat-  
urday afternoon shot and killed John  
Johnson, near Greendale, in this county,  
was arrested yesterday in Sullivan  
county, Tenn. He was brought here  
to-day by Deputy Sheriff Flenor and  
looked in jail.

The killing seems to have been one  
of unusual atrocity. There had been a  
grudge between Fulton and Johnson for  
a year. On Saturday afternoon they met  
and began to talk over the old  
grudge, when Fulton drew his pistol  
and began firing. He emptied his re-  
volver, reloaded it and fired two more  
shots. Only one bullet struck a vital  
spot. It cut an artery in the groin,  
from which Johnson bled to death.

Ministers' Association Selects Of-  
ficers.

[Special to The Times-Dispatch.]  
ALEXANDRIA, VA., April 29.—The  
Ministerial Association of this city was  
reorganized to-day by the election of the  
following officers: Rev. Edgar Carpenter,  
rector of Grace Protestant Episcopal  
church, president; Rev. G. I. Humphreys,  
pastor of the Methodist Protestant  
Church, secretary.

The following new ministers were  
received into the association: Rev. Joseph  
R. Sevier, pastor of the Second Presby-  
terian Church; Rev. W. W. Van Arsdale,  
pastor of Trinity Methodist Episcopal  
Church; Rev. L. H. Humphreys, pastor of  
the Methodist Protestant Church.

## To Oppose Mr. Gray.

[Special to The Times-Dispatch.]  
WILMINGTON, VA., April 29.—In this  
week's issue of the Midland Virginian  
Judge E. N. Wood will announce his can-  
didacy for the office of Commonwealth's  
attorney for Plutana county. Hon. A.  
A. Gray, the incumbent, is also a can-  
didate.

## The Lynnhaven Hotel,

Corner Freemason and Granby Streets, Norfolk, Va.

Will be Open for the Reception of Guests on Tuesday Evening, April 30, '07

The owners believe they have one of the most attractive and best appointed hotels in this country, and confidently anticipate a liberal patronage from the most discriminating public. Especial attention has been given to those features of construction which pertain to the safety of the guests. The house has metal windows with wire glass, and its stairs and elevators are in fire-proof enclosures, precautions rarely found in Southern hotels. It is in charge of Mr. G. E. Webb, of New York, with a corps of most carefully selected white employees. Mr. Webb has had extensive experience as the manager of one of the largest hotels in New York City, and will welcome his guests in a manner to give entire satisfaction.

BERKLEY MAN IS  
DEAD FROM WOUNDS

Charles Parks Latest Victim of  
a Murderous As-  
sault.

## FIVE GASHES ON HEAD

Many Assaults and Robberies  
Alarm Citizens Around  
Norfolk.

NORFOLK, VA., April 29.—Charles  
W. Parks, one of the victims of the  
murderous assaults in Berkley, died to-  
day. He was assaulted and robbed with  
two blocks of his home. There  
were five deep gashes on his head,  
which were supposed to have been  
caused by a heavy piece of iron. The  
blows rendered him unconscious, and  
he died to-day without having been  
able to give the least clue to his as-  
sailants.

Edward Cooper, of South Norfolk,  
held-up robbed and assaulted Sat-  
urday night, is now at the Protestant  
Hospital, and there is slight chance  
of his recovery.

Miles Newby, a well-known colored  
man, was also a victim of the high-  
waymen. His skull is crushed and his  
physicians say he will die.

The fourth victim was William Wat-  
kins, who was robbed of his groceries,  
and in the encounter received several  
scalp wounds. He will recover.

Two negroes, William McIntosh and  
Stark Poiner, have been arrested in  
connection with the crimes, and are  
held, charged with highway robbery,  
murderous assault and carrying con-  
cealed weapons.

The police are confident that they  
have the perpetrators of the deeds in  
McIntosh and Poiner. They were to-  
gether when arrested, and when  
searched McIntosh had a silver watch  
and \$1 worth of ferry tickets. Parks is  
said to have purchased that amount  
of tickets Saturday afternoon. Poiner  
was carrying a basket of groceries,  
which were identified by a grocer as  
those purchased from him by Watkins.

In the basket was a blood-stained piece  
of lead pipe with which it is sup-  
posed they struck their victims.  
Excitement is intense in Berkley  
as a result of the murder of Parks and  
the robberies, and threats of lynching  
were heard.

## FOREMAN ASSAULTED.

Norfolk Man Grapples With  
Highwayman Late at Night.

[Special to The Times-Dispatch.]  
NORFOLK, VA., April 29.—One of the  
boldest attempts at hold-up that has  
ever occurred in Norfolk took place  
last night on Holt Street Bridge, when  
R. J. Carthy, assistant foreman of the  
Ledge-Dispatch, a newspaper of this  
city, was struck over the head three  
times by cobblestones in the hands  
of an unknown white man. The wound  
inflicted upon Mr. Carthy's head had  
to be sewed up.

Mr. Carthy was returning home when  
he received a blow on the back of  
his head. When he turned to see where  
the stone came from he was struck  
again, which laid his forehead open.  
Mr. Carthy immediately grappled with  
his assailant, and during the struggle  
he received a third blow, which  
almost rendered him senseless.

The police have been put upon the  
case, but no arrests have followed  
concerning the assault.

## Drugged and Robbed.

[Special to The Times-Dispatch.]  
NORFOLK, VA., April 29.—After do-  
ing a kindness to an unknown friend,  
Fred Smith was drugged and robbed of  
\$218.

Mr. Smith was near the ferry wharf  
when the unknown man approached  
him and asked him for the price of a  
night's lodgings. This was given  
him.

The stranger afterwards told Mr.  
Smith that he knew where he could  
purchase liquor. The liquor was pro-  
duced, and Mr. Smith only remembers  
taking one drink. When he awoke  
he found his senses and found himself ly-  
ing on a pile of lumber and his money  
missing.

## MR. STEPHENSON CASHIER.

Succeeds Mr. Johnson at People's  
National Bank.

[Special to The Times-Dispatch.]  
GATE CITY, VA., April 29.—Mr. J.  
C. Stephenson, a young merchant of  
Gate City, has been elected cashier of  
the People's National Bank, of Gate  
City, to fill the vacancy caused by the  
death of Mr. J. M. Johnson, Jr., which  
occurred last Thursday. The president  
of this bank is Colonel J. B. Richmond,  
ex-member of Congress and Scott-  
county's representative in the Virginia  
Constitutional Convention. The bank  
commenced business in March, 1904,  
and Mr. Johnson, then only twenty-  
three years of age, was made cashier,  
which position he most ably filled

(ill he was stricken down with pneu-  
monia a few days ago.

While a strong rivalry has existed  
between the People's National and the  
First National Bank, of which Mr. N.  
M. Horton is cashier, yet the two  
young cashiers have been like brothers  
to each other. During Mr. Johnson's  
illness he was closely attended by Mr.  
Horton, and when he died the First  
National closed its doors till after the  
funeral, which was conducted by the  
Masons Friday afternoon.

## Up for Burning Barn.

[Special to The Times-Dispatch.]  
BOWLING GREEN, VA., April 29.—  
The preliminary hearing of Taylor Gray-  
son and Warner Dennis, who were ar-  
rested charged with the burning of the  
barn of C. I. Mothershead, near Return,  
and which was adjourned until to-day  
for further evidence, was again resumed.  
Taylor Grayson was called on to the  
grand jury at the same time as to the  
evidence from the evidence that Gray-  
son, who had some time since been at  
the store of Mothershead, and who be-  
came bolder and had to be ejected by  
Mothershead, made the remark that he  
would get even with him if it took a  
year. Warner Dennis, who was also ar-  
rested along with Taylor, was discharged,  
there being nothing against him.

Colored Episcopal Church Dedi-  
cated.

[Special to The Times-Dispatch.]  
MILLER'S TAVERN, VA., April 29.—  
Major Rufus A. Gibson, D. D., of  
Richmond, visited Grace Episcopal Church  
(colored) here Saturday, consecrated the  
building and held confirmation service.  
It is the only Episcopal church for col-  
ored people in Essex or any of the ad-  
joining counties. Bishop Gibson was as-  
sisted in the services by the Revs. Wil-  
liam Nelson Miale, of Tappahannock, and  
Thomas D. Lewis, of this place.

## Midgets Says He's Innocent.

[Special to The Times-Dispatch.]  
FREDERICKSBURG, VA., April 29.—  
Major Rufus A. Gibson, D. D., of  
Richmond, visited Grace Episcopal Church  
(colored) here Saturday, consecrated the  
building and held confirmation service.  
It is the only Episcopal church for col-  
ored people in Essex or any of the ad-  
joining counties. Bishop Gibson was as-  
sisted in the services by the Revs. Wil-  
liam Nelson Miale, of Tappahannock, and  
Thomas D. Lewis, of this place.

## GENTLE SPRING.

It is within the range of possibility  
that a connection may after a while be  
drawn between what some people call  
"spring fever" (meaning thereby that  
sensation of nothing wrong in particu-  
lar, but that all is not just right) and  
that very prevalent malady, dyspepsia.  
At any rate, physicians who have used  
a prescription composed of 1-4 oz. Fluid  
Extract of Buchu, 1 oz. Bulbo Mixture,  
1-4 oz. Fluid Extract Gentian Compound  
and 15 ozs. water in treating dyspepsia  
have found that the medicine is not  
only wonderfully efficacious in dyspep-  
sia cases, but that it is also an admir-  
able "spring tonic," and exactly what  
many people need at this season of the  
year. Most successful results are said  
to follow the use of the preparation in  
doses of a tablespoonful administered  
three times a day. The prescription,  
which the pharmacist can put up,  
contains nothing in the least degree  
harmful and would seem to be well  
worth a trial.

OHIO REPUBLICANS  
WANT NO PRIMARY

Central Committee Is Opposed to  
the Suggestion of  
Foraker.

## WILL NOT STAND DICTATION

Chairman Brown Says That Is  
Not Best Way to Determine  
on Candidate.

TOLEDO, O., April 29.—Walter Brown,  
chairman of the Republican State Cen-  
tral Committee, issued the following  
statement to-day regarding the Taft-  
Foraker contest:

"No request has been made to me  
as chairman of the State Central Com-  
mittee to call a meeting of that com-  
mittee for the purpose of considering  
the choice of the Republicans of the  
State for a presidential candidate. Un-  
til some such request is made I have  
nothing to add to what I said when  
such a primary was first suggested;  
that in my opinion it would not be  
feasible to conduct a primary election  
upon a general election day, and that  
the sentiment of Republicans in Lucas  
county, as expressed through the news-  
papers and otherwise, is overwhelmingly  
opposed to engaging in any con-  
tests within the party, save such as  
relates wholly to municipal matters,  
until after the municipal election in  
November."

Mr. Brown has confided to his friends  
the fact that the members of the State  
committee are not tied up to either  
Foraker or Taft to the extent that they  
would act arbitrarily on any one sub-  
ject which might be of particular in-  
terest to either one of them. That is  
to say, the committee would not let  
either Taft or Foraker dictate to the  
members of the committee, just what  
would be done if the members of the  
committee feel that would not be the  
wise thing to do.

Chairman Brown left for Akron, O.,  
to-day to meet Senator Dick.

## POLITICAL GOSSIP.

Mr. Holladay Will Run for House  
of Delegates.

## FOUR-SLUG-FOUR

[Special to The Times-Dispatch.]  
FREDERICKSBURG, VA., April 29.—  
H. T. Holladay, Jr., has entered the  
contest for the Democratic nomination  
for the House of Delegates in Orange  
county. Captain C. C. Tallaferrro, the  
present delegate, is a candidate for  
re-election, and is expected to be  
elected. Mr. Holladay is a native of  
Europe. W. S. Fraser is also  
a candidate for the Democratic nomination  
for the House of Delegates from the dis-  
trict composed of Northumberland and  
Westmoreland counties. In progress.  
W. D. Snyder, of Northumberland  
county, who was a candidate in 1904,  
drawn in favor of T. A. Jett, of that  
county. The other two candidates are  
both residents of Westmoreland. They  
are George Mason, the incumbent, and  
W. T. Mayo. C. H. Walker, the pre-  
sent Democratic State Senator from the  
Northern Neck District, is a candidate  
for renomination.

The Piedmont Medical Society has  
elected the following officers: Dr. J. H.  
Browning, of Charlottesville, president;  
Dr. W. S. Phillips, of Orange county,  
and Dr. A. J. B. St. Clair, of Char-  
lottesville, vice-presidents; Dr. James  
T. Walker, of Orange county, treas-  
urer; Dr. Lewis Holladay, of Orange  
County, secretary. The next meet-  
ing of the society will be held at  
Orange Courthouse June 15th.

Dr. M. Benneche, of Essex county,  
has gone to London to make a study of  
consumption in the large hospitals  
there.

## AFTER TEXAS TICK.

Government Inspectors Seeking  
to Eradicate Pest.

[Special to The Times-Dispatch.]  
WILLIAMSBURG, VA., April 29.—The  
farmers of the Peninsula, working in  
co-operation with the government in-  
spectors, will make strenuous efforts  
this summer to clean up the herds of  
cattle infected with the tick and rid  
the lands as far as possible of the pest.  
For years the cattle-tick question has  
been the hardest problem which the  
farmers of this section have had to  
solve. The pest has been becoming  
worse each year, but until last year  
no concentrated and intelligent efforts  
were made to clear the land of the  
tick. Since then the government has  
been taking a hand in the affair, and  
Washington inspectors have been pro-  
claiming and enforcing strict quaran-  
tines against all infected cattle, and  
doing everything in their power to  
prevent the spread of the disease.  
The farmers of Warwick county are  
now making agreements to co-operate  
with United States inspectors to spray

their ticky cattle periodically this  
summer.

The United States Bureau of Animal  
Industry will have a spray squad in  
Warwick county, which expects to go  
over into York county as far as time  
can be spared from the work in War-  
wick.

## FIGHTING SALOONS.

Large Number of Witnesses to  
Appear in Liquor License Cases.

[Special to The Times-Dispatch.]  
DANVILLE, VA., April 29.—Between  
fifty and seventy-five people from this  
city left to-day to attend the county  
term of court at Chatham to appear  
as witnesses in the contested liquor  
cases. A strong fight is being waged  
by the temperance faction to prevent  
the granting of licenses to the saloons  
and distilleries located on the outskirts  
of the city.

## Donaldson-Fitzpatrick.

[Special to The Times-Dispatch.]  
FREDERICKSBURG, VA., April 29.—  
James Donaldson, of Norfolk, and  
Miss Mamie Fitzpatrick, daughter of

Mr. William Fitzpatrick, of this city,  
were married to-day in Alexandria by  
Rev. D. F. Coleman, of the Catholic  
Church. The bride's sister accom-  
panied her.

## Dies From His Wounds.

LYNCHBURG, VA., April 29.—Charles  
Hughes, aged nineteen, of this city,  
died this morning at the home of a  
brother in Campbell county from a  
pistol wound alleged to have been in-  
flicted late Saturday afternoon several  
miles below the city by John Bryant,  
a railway construction man. Bryant is  
alleged to have quarreled with Hughes  
and shot him without provocation. He  
has not been arrested and cannot be  
found.

## Gold Competition Keen.

LONDON, April 29.—There was keen  
competition from Paris to-day for the  
large supplies of gold in the market,  
totaling \$5,000,000. The Bank of Eng-  
land, however, outbid its French com-  
petitors and secured \$3,500,000 at a  
half-penny advance. India took \$1,000,-  
000, and Paris obtained the balance,  
\$1,500,000.
